Corns Peel Right Off With "Gets-It"

2 Drops, and the Corn is a "Goner"

When you've got to walk on the sides of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do.

Use "Gets-It" Your Corns Won't Swell in Water. Besides, They'll Shrive! Loosen and Peel Off!

Put 2 or 3 drops of "Gets-It" on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant—then it loosens and falls right off.

There's no other corn-remover in the world that acts like "Gets-It". No new discovery has been made in corn-removers since "Gets-It" was born. Don't forget that fact.

"Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toes, plasters that half do the work, knives and scissors that draw blood. Use "Gets-It"—no more digging or cutting.

"Gets-It" is sold everywhere. See a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Louisa by Louisa Drug Co. J. H. REYNOLDS.

TOPSY TABBYKINS.

MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

LOOK AT TONGUE. MOVE POISONS FROM LIVER AND BOWELS AT ONCE.

Mother—Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" then look and see that it is made by the California Fig Syrup Co.

"CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

BEST FOR LIVER AND BOWELS, FOR BILIOUSNESS, SOUR STOMACH AND CONSTIPATION.

Get a 10-cent box now.

Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

APPLE HISTORY.

Apples are born on trees, spend a large part of their lives in barrels and are buried in pies. There are several varieties, such as the apple of discord, the apple of my eye, Adam's apple, applejack and Appleton's encyclopedia. There is a variety known as pippins; these have a rosy skin and frequently look better than they are. Apples, unlike melons, are eaten from the outside in, instead of from the inside out. Sometimes when green they produce an inside out sensation. The only part of the apple that cannot be eaten is the core; on reaching the part of the apple we don't want more, but are compelled to stop, hence the origin of the familiar cry, "encore."

The apple is said to have caused the first fall of man, but since then the banana has given it a hard race. The three personages who have done the most to make the apple famous are Adam, William Tell and Col. Toddy—Exchange.

He was the one member of the Bar who had one regular place to sit, which is well remembered, and when in health was always in his place, a good listener and a close observer of all of the business of the court, and prompt in the discharge of his duties to his clients and to the court.

His presence has been and will be missed but kindly remembered by the members of this Bar.

We extend our sympathy to his family and relatives in their great loss.

Be it resolved further, that these resolutions be signed by all the members of the Bar and entered upon the records of the Court; that a copy be presented to the family of the deceased, and to the Big Sandy News and Lawrence County Recorder for publication.
